Subject: Petition Calls on UCLA to Cancel NSJP Conference

To: Avak Keotahian <avak.keotahian@lacity.org>

CC: Jeffrey Ebenstein <Jeffrey.Ebenstein@lacity.org>

Hi Avak, I just left you a voicemail asking you to call me re asking you to draft an emergency resolution to introduce tomorrow in council.

Please take a look at the article below. It should have all the info you need.

We want to call in the Regents of the University of California to Condemn or let UCLA know that it's not appropriate for them to have a meeting on campus (use of public facilities) especially where many of the leaders of the organization are calling for violence against Jews. It's never a good time to have this type of event, but given the atmosphere in the country (Pittsburgh and arson at synagogues in NY), it's an especially bad/ultra-inappropriate conference to have at UCLA.

Thanks!!
